

Dear South Columbus Preparatory Academy at German Village Parents/Guardians,

Good afternoon! Welcome to SCPA at German Village! My name is Jarod Hawk, and I am the Executive Principal here at SCPA at German Village. We are eager to start the year and we can't wait to see all of our students in person on August 11th!

I have been in education for over 12 years and have been able to experience both teaching and leadership at the elementary and middle school level. I have also served as an Instructional Coach, STEM Coordinator, and Assistant Principal. I obtained my Master's degree in Educational Administration from Ashland University and I am seeking my Superintendent License.

We are really looking forward to this upcoming school year! This year will look a little different, but we are getting closer to having some normalcy. Safety is a top priority, and we want to make sure all our families feel safe and comfortable. We will continue to disinfect all high touch surfaces and will use our Electrostatic Sprayer daily. We will also make sure that spaces are cleaned on a frequent basis. The school will provide regularly scheduled opportunities for students and staff to meet handwashing recommendations. Sanitizing stations will continue to be located throughout the building. Our school will focus on a 3-foot physical distance where possible. We will limit large groups of students and will limit transitions throughout the day. Staff and students do not need to wear face coverings if they are vaccinated. Unvaccinated staff and students are encouraged to continue wearing face coverings. We will continue to recommend that parents screen students before leaving for school (check temperature to ensure temperature is below 100.4).

At SCPA at German Village, we set high expectations for every student and go the extra mile to make sure every student realizes their own potential. Personalized learning, critical thinking skills, mastery of core subjects and whole child development is our recipe for success. South Columbus Preparatory Academy at German Village provides a tailored exceptional educational experience to students of all backgrounds and prepares 100% of its students with the knowledge, skills and habits needed to be a strong leader. At SCPA German Village, we ignite, we inspire, we empower, and we lead.

We also embrace the power of having strong parent and community partnerships. I look forward to sitting down with all of you throughout the year and listening to what is important when it comes to your child's education. Again, I am excited about our future here at SCPA at German Village and look forward to having an incredible year!

Sincerely,

Jarod Hawk
